## BUILDING REFURBISHMENT CAPABILITY

DDR Australia is an experienced building refurbishment and upgrade contractor with capabilities in:

- Commercial building refurbishments
- Demolition and rehabilitation
- Asbestos removal
- Internal building fitouts
- Heritage building refurbishments

DDR is equipped to execute PFAS contamination removal and remediation projects. Our skilled team employs effective techniques to identify, contain, and safely remove PFAS contaminants from your asset, ensuring a clean and safe environment.

## YOUR REFURBISHING PARTNER

Whether it's a commercial building, a heritage property, or any other building, we have the expertise to handle it all.

With our wide range of capabilities, we are committed to delivering exceptional results for all your refurbishment needs. DDR has an experienced site team to manage multiple trades on site to ensure safe work and a high-quality finish. We have extensive knowledge in building refurbishments within the defence sector, ensuring compliance with security and safety standards.

Our team has a proven track record of working on heritage buildings to ensure refurbishments retain the property's character while remaining in line with its intended use and project documentation.

### RAAF Darwin Living in Accommodation Refresh

The refurbishment of 16 buildings (15 heritage-listed), including ceiling repairs, internal patching, painting, carpet and tile replacement, air conditioning units, toilets, fittings, and upgrade works.

### Russell Office Refurbishment

The project involved decanting, demolition, mechanical services, fire service upgrades, security systems, architectural services, and furniture replacements throughout. Works were completed within an operational environment.

### RAAF Darwin Banksian House Refurbishment

A full restoration of heritage-listed property, including significant structural, mechanical and BMS upgrades. The project was also the winner of the 2022 NT Architecture Award, the NT Chapter's People's Choice Award and the Heritage Architecture Award.

### Berrimah Chapel Refurbishment

The heritage-listed chapel building underwent refurbishment, including structural and electrical upgrades, to ensure compliance with building codes, safety, and maintenance benefits, contributing to its long-term conservation.
